

Cooperative Matrix

Important Note About the Matrix

- **Please Note:** Several of our standard cooperative documents (such as our Cooperative Rider) contain provisions assigning the proprietary lease or occupancy agreement, thus our standard assignments of leases are not provided by default in most states (these documents are indicated with an asterisk below).
- These assignments, however, may be assigned to clients upon their request.
- Unless otherwise noted, citations under "FNMA Requirements" are from FNMA's "Co-op Share Loan Documentation Requirements" dated May 4, 2022. A document may still be required or necessary under state law, even if "Not required by FNMA" or "Not required by FHLMC" is designated.
